Sub: Strict compliance with the Government Sankalp No. 516 of 2017, 543 of 2023 and 1040 of 2023 regarding Code of Conduct related to Need Based Faculty Members.

Sir/Madam,

It has come to the attention of University Administration that several Need Based Teachers across various Constituent colleges and Postgraduate Departments are failing to adhere strictly to the rules, code of conduct and academic & non-academic duties mandated by Department of Higher and Technical Education, Government of Jharkhand.

University appointments under these state resolutions are strictly contingent upon absolute procedural compliance of the Government Guidelines provided by the Government. Non-compliance compromises students' welfare and directly violates State Administrative policies.

Therefore, by the order of the Vice Chancellor, all Need Based Faculty Members are hereby directed to strictly implement the following mandates with immediate effect:

1. Mandatory Biometric Attendance and Class Logs (10:00 a.m. to 4:00 p.m.)

- a) **Daily Attendance:** Faculty Members must register their arrival and departure strictly using biometric attendance system.
- b) Manual registers will not be accepted as valid proof of presence.
- c) **Class logs:** A daily lecture diary tracking completed topics, students' attendance and signatures of the HOD, PG Department. /Principal must be meticulously maintained.

2. (a) Exact alignment with Lecture and Remuneration mandate:

Remuneration claim submitted under Sankalp no. 1040 must reflect exactly the documented lecture delivered.

(b) Audit check:

Any inflation of delivered lecture hours, proxy teaching, or arbitrary absenteeism will be treated as financial misconduct and will lead to an immediate freeze on monthly honorarium and disciplinary action.

3. Mandatory Institutional and Examination duty:

- a) **Beyond lectures:** As outlined in Sankalp no. 516 and 543 Need Based placement is an institutional service role. Faculty have to be in campus during duty hours and they have to be present in all working days in College Department during working hours.
- b) **Assigned Task:** Faculty must participate fully in invigilation duty, internal assessment, practical exam, University evaluation duties and departmental administrative work or any duty assigned by HOD, PG Department and by the Principal.

Refusal to perform these duties constitute a breach of contract and will be treated as misconduct.

4. Code of Conduct and Accountability;

- a) Faculty Members must follow professional ethics and academic integrity.
- b) Members must not indulge in any commercial exploitation of students.
- c) Faculty Members must not make disparaging public remarks, political and other comments, issue press releases or post statements on social media platform like WhatsApp, Facebook, Instagram and telegram etc. that tarnish the reputation of SKMU or the Department of Higher and Technical Education.
- d) Faculty Members must maintain a zero tolerance policy towards any form of discrimination based on caste, gender, religion or region and body shaming. Behavioural and Verbal misconduct will trigger an immediate administrative inquiry.
- e) Adherence to chain of command: Any administrative or payment grievances must be rooted upward via proper channel Teacher → HOD → Principal → Registrar. Bypassing the University hierarchy to lobby external Department like Lok Bhawan, DHTE, SC/ST Commission, Women Commission etc. directly will be recorded as structural in discipline.

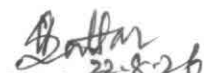

Failure to comply with any of the above directives or any documented negligence of duty, will be viewed with maximum seriousness.

The University will initiate immediate disciplinary actions which will include:

1. Immediate withholding of monthly remuneration payments.
2. Issuance of formal show cause notice with a 48-hour response window.
3. Termination of the contractual engagement from SKMU subject panel.

All the HOD, PG Department and Principal of the Constituent Colleges are directed to monitor compliance of the order.

By order of the Vice Chancellor

Registrar
