Functions of the Deputy Commissioner

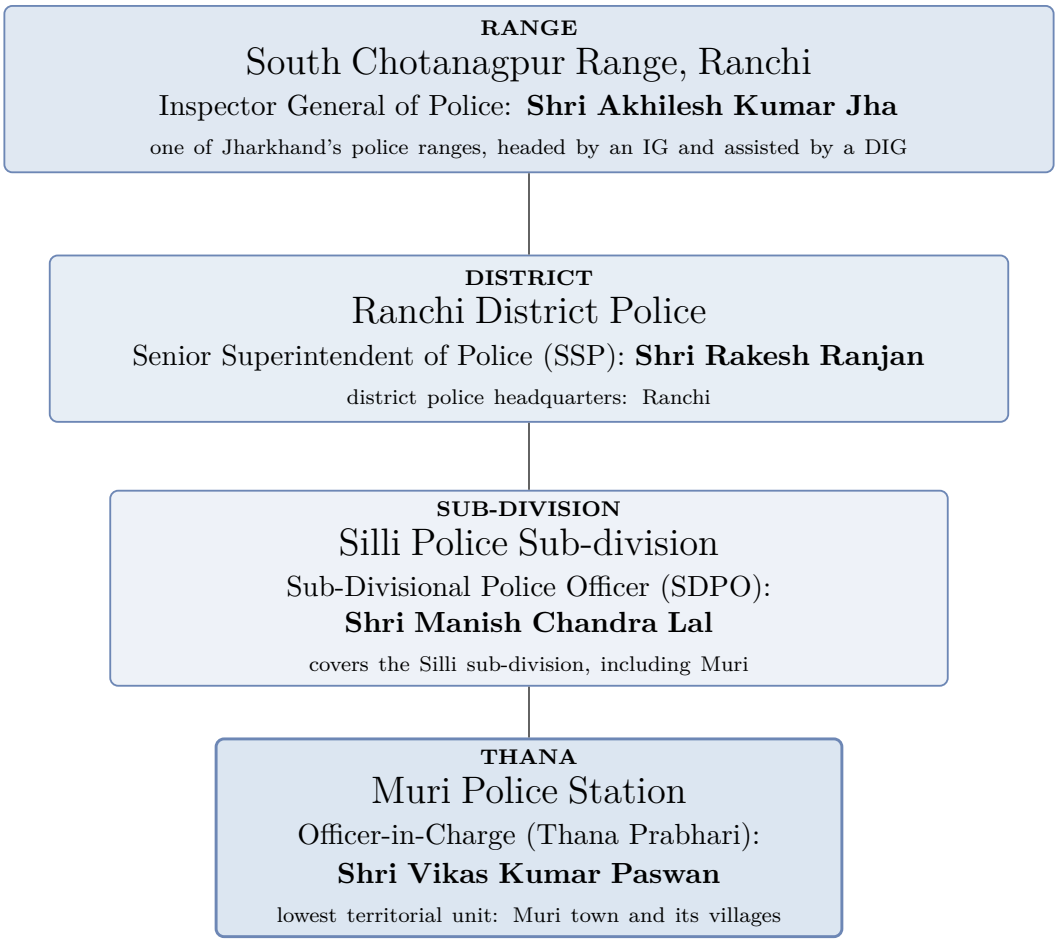

One officer, several roles. The Deputy Commissioner is also District Magistrate (law and order), Collector (revenue) and District Election Officer (elections) — one post wearing three hats, not three separate offices.

A Worked Example: Ranchi District to a Village Panchayat

Reading the example. Silli is a *block*, not a sub-division, and Muri is a town inside Silli block — so the chain runs District → Block → Gram Panchayat, with Muri marking the locality, not a separate tier. The Deputy Commissioner's name is as of 2026; the BDO and the Mukhiya are as per the latest district records available (2024–25).

A Worked Example: Ranchi Police from the Range to Muri Thana

Reading the example. The IG heads the range, the SSP the district, the SDPO a police sub-division and the thana in-charge the police station — the lowest territorial unit of policing. Above the range sits the Director General of Police, Jharkhand. Names are as of 2026; the SDPO and the thana in-charge took their posts in the May 2026 reshuffle.

Cabinet Minister vs Minister of State

	Cabinet Minister	**Minister of State**
Rank	Senior minister of Cabinet rank; heads a ministry and sits in the Cabinet.	Junior minister; assists a Cabinet Minister, or holds independent charge of a ministry.
Cabinet	Attends Cabinet meetings and shares in collective decisions.	Attends only if specially invited.
Work	Sets the ministry's policy, supervises its departments and answers for the whole ministry in the House.	Runs the allotted subjects, assists the Cabinet Minister and represents the ministry in the House.
Accountability	Collective responsibility (Art. 164(2)); answerable for the entire ministry.	Same collective responsibility; answerable for the allotted work.

Both are appointed by the Governor on the advice of the Chief Minister, and must be, or become within six months, members of either House.

How they function. The Cabinet Minister decides; the Minister of State executes the allotted part and carries the ministry's case in the House. Both work through the same departmental secretaries, and the Cabinet Minister remains answerable for the ministry as a whole.

Election Hierarchy: From MLA to the Village

How to read this. Every tier is filled by direct election; the vertical order shows the level of government — State, district, block, village, ward — not a chain of command. Above the MLA sits the MP (Lok Sabha), elected directly by the same voters. In towns the parallel of the panchayat tiers is the Municipal Corporation, whose wards elect Councillors.
