NEW DELHI, March, 2014

NO. F. 5-1/2013 (CPP-II)--In exercise of the powers conferred by sub-Section (3) of Section 22 of the University Grants Commission Act, 1956 (3 of 1956) and in supersession of all earlier Gazette Notifications pertaining to specification of degrees, the University Grants Commission (UGC) with the approval of the Central Government hereby specifies the nomenclature of degree for the purposes of the said section.

In the bottom-most row of each table, nomenclatures of degrees that are presently in vogue in some institutions were found to be neither conventional, nor reflective of a real innovation in knowledge and are de-specified with the suggestion that the same may be restructured/changed as suggested therein.

129.	Mumtaz (Mumtazul Tafseer, Mumtazul Mohaddisin, Mumtazul Fiqh, Mumtazul Adab etc.)	M.PHIL.	1 year	Kamil (MA)

The universities shall be free to write English equivalent of these degrees, if they so desire in the mark sheet/degree certificates either in parentheses or slash.

Guiding Principles:

Degrees should be specified in generic terms and their nomenclatures should be such that are generally recognised, globally acknowledged and widely accepted and are indicative of the level of the degrees and the broad subject/ discipline/ knowledge area universities/institutions, in curricular innovation, shall have the freedom to indicate uniqueness/ specialisation in parentheses against the specified generic degrees.

Universities/institutions may introduce Integrated and Dual Degree Programmes judiciously and with caution. A dual degree programme combines more than one subject, mostly in a horizontal spread, whereas an Integrated Programme is progressive and cumulative. The academic philosophy/rationale behind offering such integrated programmes should not be for economising on course requirements or award of double degrees in a fast track; on the contrary, an integrated approach should involve a vertical/inter-disciplinary discourse. A dual degree should aim for a better comprehension of the related subjects of study from a multi-dimensional perspective. This would necessarily entail an equal, if not more, course duration and a newer approach of curricular transaction and additional interactive courses. Thus an Integrated/Dual Degree Programme combining two or more disciplines shall be permissible only if there is no compromise on any of the course requirements, viz. duration, number of papers and intensity of courses, teaching/learning hours, credits, etc. Integrated and Dual Degree Programmes are therefore, be introduced by the universities/ institutions subject to the following conditions:

- a) The Integrated/Dual Degree Programmes must not dilute the standards as prescribed under the Regulations made by the UGC and other Statutory authorities concerned in terms of syllabi, programme duration and examination requirements.
- b) If the Integrated/Dual Degree Programmes intend to offer two separate degrees with an option for an interim exit or lateral entry, the duration of the Integrated/Dual Degree Programme must not be less than the duration equal to the sum total of the prescribed duration of the two degrees that are being combined in the Integrated/Dual Degree Programme. Provided that all such programmes would carry the nomenclature of "Integrated/Dual Degree (name of the first degree) - (name of the final degree)". Provided further that both the degrees awarded under the Integrated/Dual Degree programme shall be individually and separately recognised as equivalent to corresponding degrees and not as one single integrated degree.
- c) If the Integrated Programme intends to offer a single degree without permission to exit and lateral entry, the programme duration may be relaxed by not more than 20% of the sum total of the prescribed duration of the two degrees that are being combined to make the single Integrated degree.

General Instructions:
