

DURGAPUR TRIP - DAY 2 PLAN

Tourist Attractions, Food Stops and Return to Dumka at 5:00 PM

Recommended approach: Keep Day 2 light and realistic. Durgapur is primarily an industrial/planned city, so the best experience is a mix of Damodar riverside, local heritage, city-centre food, one market/mall stop and Deul Park before starting the return journey. Because the return is fixed at 5:00 PM, do not overload the day.

Best Day-2 Itinerary

Time	Place / Activity	Why Visit / What to Do	Travel Note
7:00 - 7:45 AM	Wake up, tea and light breakfast	Prefer hotel breakfast if included. If not, take a simple breakfast near City Centre / Junction Mall area so that the sightseeing can begin on time.	Keep luggage packed.
7:45 - 8:15 AM	Check out or extend checkout	If the room checkout is early, leave luggage at hotel reception after confirmation. If family needs rest, request paid late checkout till 4 PM.	Confirm with hotel at night.
8:15 - 9:15 AM	Durgapur Barrage	Best early stop. Scenic Damodar River view, photographs, short walk and a calm start to the day. Avoid risky edges and heavy traffic points.	City Centre to Barrage: about 25-35 min depending on traffic.
9:30 - 10:15 AM	Bhabani Pathak's Tilla / Energy Park area	Historic mound and tunnel-linked local attraction associated with Durgapur heritage. Visit only the safe/open public portion; do not enter restricted or unsafe tunnel areas.	Keep this as a short heritage stop.
10:30 - 11:15 AM	Ram Mandir / Rahreswar Shiv Temple	Good cultural stop. Choose one temple depending on route and family preference, instead of trying both.	Spend 30-40 min only.
11:30 AM - 12:15 PM	Benachity / City Centre drive-through	See the commercial side of Durgapur. Benachity is good for local market feel; City Centre is cleaner and easier for first-time visitors.	Avoid long shopping because return day is fixed.
12:15 - 1:15 PM	Lunch	Best family option: Bengali or multi-cuisine lunch at City Centre. Recommended: Bhooter Raja Dilo Bor for Bengali-style food; Barbeque Nation for buffet; Half Moon Bay / Ananya for multi-cuisine.	Book/phone-check if going on weekend.
1:15 - 2:00 PM	Rest / tea / shopping buffer	Use this as a buffer. Buy water, snacks and medicines for the return journey.	Do not skip buffer.
2:00 - 3:15 PM	Mohan Kumar Mangalam Park or Anand Amusement Park	If children/family want a relaxed city park, choose Kumar Mangalam Park. If they want rides, choose Anand Amusement Park/Troika Park area.	Choose only one.
3:15 - 4:45 PM	Deul Park / Ichhai Ghosher Deul side	Best final tourist stop if the group still has energy. Riverside-green setting around Ajay River and temple/heritage atmosphere. Keep it short and start return preparations by 4:45 PM.	Best if it falls conveniently on return side; otherwise skip and stay in city.
5:00 PM	Start return to Dumka	Depart sharp at 5:00 PM. Expected arrival: around 8:30-9:00 PM with one short tea/rest stop.	Drive cautiously after sunset.

Return Route and Timing

Item	Recommendation	Timing Estimate
Preferred route	Durgapur -> Suri/Siuri side -> Dumka. This matches the Suri highway preference and keeps the return route familiar.	Keep 3.5-4 hours including evening traffic and one short halt.
Departure	Leave Durgapur/last attraction at exactly 5:00 PM.	Do not start after 5:15 PM.
Tea/rest halt	Take only one 10-15 minute halt after Suri or at a safe fuel pump/restaurant on the highway.	Avoid isolated roadside stops after dark.
Expected Dumka arrival	With normal road conditions, plan arrival between 8:30 PM and 9:00 PM.	Add 30-45 min buffer for traffic/rain/roadwork.

Food Plan for Day 2

Meal	Best Choice	Backup / Practical Advice
Breakfast	Hotel breakfast or simple South Indian / poori-sabzi / tea near City Centre.	Avoid heavy breakfast because morning has walking and driving.
Lunch	Bhooter Raja Dilo Bor for Bengali-style lunch; Barbeque Nation for buffet; Half Moon Bay or Ananya for multi-cuisine.	For first-time visitors with family, City Centre restaurants are easier for parking and hygiene.
Return snacks	Packed water, biscuits, light snacks, ORS/ lemon drink.	Buy before 4:30 PM; do not depend on late roadside food.

Priority Order if Time Becomes Tight

- Do not compromise the 5:00 PM return. If delayed, first skip long shopping, then skip the amusement park, and finally skip Deul Park.
- Must-do attractions: Durgapur Barrage + one heritage/cultural stop + lunch + one short park/market experience.
- If travelling with elderly family members, prefer Barrage, Ram Mandir, City Centre lunch and Kumar Mangalam Park; avoid too many walking-heavy places.

Travel Checklist

- ❑ Carry ID cards, hotel bill, vehicle papers, FASTag balance and some cash.
- ❑ Keep drinking water and light medicines in the car.
- ❑ Confirm opening status of parks/heritage points by phone or local enquiry before leaving hotel.
- ❑ Keep lunch before 1:30 PM so that afternoon sightseeing does not get delayed.
- ❑ Avoid unsafe tunnel/riverbank areas; take photographs only from safe public locations.
